

The Marijuana Enforcement Division (MED) and other law enforcement agencies are responsible for ensuring our licensees fully comply with all statutes and regulations, and make every effort to ensure public safety. As a MED Medical or Retail Marijuana Business Licensee, business owner or employee licensee, you hold a license privilege that requires you to operate your facility and conduct business strictly within the parameters set forth in law, which includes mandates provided by the Colorado Constitution at articles XVII and XVIII; the Colorado Revised Statutes at titles 18, 25, and 44; and the Colorado Marijuana Rules at 1 CCR 212-3, and local ordinances within whose jurisdiction you operate.

Must Be Over 21

It's illegal for people under 21 to buy, have, or use Retail Marijuana.

Regulated Marijuana Delivery

No delivery of Retail Marijuana under the age of 21. Deliver to a private residence only. Cannot exceed a combination of more than two ounces of Medical Marijuana to a patient in a single business day. Cannot exceed more than one ounce of Retail Marijuana in a single business day.

Fraud Attempts

Scammers are targeting marijuana businesses into delivering cash or providing photos of premises. Bad actors can pose as state inspectors, law enforcement, utility providers, product vendors and even employers of marijuana workers through phone calls and texting.

Two ID Checks

Every employee is responsible to review a valid government issued ID and verify the age of every customer before permitting access to the Restricted Access Area and before initiating a sales transaction.

8:00 AM – 12:00 AM

* No sales before or after. Hours may be restricted further by local jurisdictions.
