

SB23-271 Feasibility Study

Public Stakeholder Meeting #1

March 1, 2024 | 2:00 pm - 4:00 pm
Agenda & Discussion Topics

Agenda & Discussion Topics:

1. Welcome
2. Legislative summary of [Senate Bill 23-271](#)
3. Feasibility study objectives and process
4. Research team introduction
5. Review of existing evaluation systems
6. Topics for stakeholder discussion:
 - a. Product/process safety determination
 - i. Where on the spectrum of evaluation processes should cannabinoids and associated manufacturing processes be?
 - ii. How could an applicant demonstrate that their product is safe for human consumption?
 - iii. Is the safety profile of synthetically derived cannabinoids inherently different from non-synthetically derived cannabinoids?
 - b. Product/process intoxication determination
 - i. What factors determine if a cannabinoid is intoxicating?
 - ii. How can the state's regulation of marijuana and alcohol inform the regulation of intoxicating hemp cannabinoids?
 - c. Scope of committee evaluation
 - i. What data should the committee consider when evaluating a cannabinoid?
 - ii. What should be the scope of ingredient or product safety (e.g., ingredients, processes, etc.)?
 - d. Required disclosures for evaluation
 - i. Should applicants be required to disclose all active and inactive ingredients; all manufacturing materials, solvents, and processes; and the intended purpose and efficacy of the proposed compound or product?
 - e. Application procedures and costs
 - i. Who should bear the cost of determining whether products are safe for public consumption?
 - f. Data availability
 - i. What data is currently available to support this report?
7. Public comment

This public stakeholder meeting will be held in person at the **Department of Revenue, 1707 Cole Blvd. Suite 300, Lakewood, CO 80401**. Interested parties may also join virtually via Zoom:

Zoom Meeting: <https://us02web.zoom.us/j/88496438113>

Meeting ID: 884 9643 8113

To Call in: +17193594580

The Division may elect to take breaks during the meeting and/or end the meeting before 4:00 p.m. if there is no further discussion or public comments.
