June 25, 2021

Dear Liquor Stakeholders,

As mentioned in this week's Liquor Rules Working Group, we are rescheduling next week's meeting. We will **not be having the June 30th working group.**

We will have our fifth working group session on **July 22nd, from 9:00 a.m. - Noon.** This will give us more adequate time to draft and prepare, and give you more time to review and discuss any outstanding items with your groups. Draft language and any proposed amendments will issue the week prior to the working group to ensure adequate time for review. We thank you for all of your thoughtful engagement this year, and look forward to seeing everyone at the next session.

Suggested language, comments, and questions are always welcome at: [dor\\_led\\_rulemaking@state.co.us](mailto:dor_led_rulemaking@state.co.us)
