We would like to remind everyone that their voice is important, and written comments are always accepted and reviewed regardless of formal working group inclusion status. Written comments should be submitted to: [dor led rulemaking@state.co.us](mailto:dor-led-rulemaking@state.co.us). Furthermore, we will allow time at the end of working group sessions for comments from anyone in attendance as time and technology allows.

We have a lot of very important work to do this year, and we look forward to your thoughtful insight as we embark on this rulemaking season.
