Hello DOR LED,

As a member of the LAG, I'd like to propose the attached changes to 44-3-219 Arts License – Definition. The current definition prohibits the licensee from advertising the availability of alcoholic beverages. This is prohibitive to our marketing efforts to describe the full patron experience that we offer at our events. I agree that there should be limitations on advertising, and have included proposed language to address such limitations.

Is the Retail Operations subgroup the appropriate group for me to attend and present this proposal? Next meeting on Thursday August 17, 11:00AM-1:00PM?

Thank you for your consideration.
