Hi Michelle,

Thank you for the conversation with our members the other day. We respectfully submit the following counter-proposal:

**Temporary Displays:**

12 temp display allowed for stores with a 60k and up footprint

10 temp displays allowed for stores with a 40-60k footprint

8 temp displays allowed for stores with a 20-40k footprint

6 temp displays allowed for stores with 10-20k footprint

**One Location for Alcohol in Store:** all current store configurations should be grandfathered.
