# From the CEO

Dear Industry Professionals,

We started PBC back in 2018 to address banking and payments challenges in the cannabis industry, by way of hosting an executive-level annual conference in Washington, D.C., an event where we bring together leading executives across cannabis banking, payments, and compliance along with Cannabis-Related Businesses (CRBs) and federal, state, and local regulators, and legislators.

Our core mission has been to help Financial Institutions, CRBs, Government, and Partners find each other, connect, and grow together. This **Cannabis Banking Directory** is a direct response to one of the questions we hear the most from CRBs and partners: *"We need a bank—who will work with us?"*

This Directory was compiled to be a free resource to the industry, and all Financial Institutions listed in this Directory have agreed to be included. There are other Financial Institutions that may bank CRBs, but for a variety of reasons, have opted out of this year's Directory. We hope this Cannabis Banking Directory proves useful, and as we update it for the 2023 Edition, we welcome feedback and additions from the community. Please reach out to us at [info@pbccconference.com](mailto:info@pbccconference.com).

You can also find other helpful resources, such as our [Cannabis Banking Ecosystem report](#), on our [website](#).

As always, I look forward to seeing you all in person at our annual [PBC Conference](#), in Washington, D.C .

Thank you,  
Joshua M. Radbod  
Co-Founder & CEO  
PBC Conference

## Get Involved

Join us at the annual [PBC Conference](#), September 21-22, 2023 in Washington D.C. The conference includes two days of panel sessions, networking happy hours, vendor exhibits, and keynote speeches.

# About this Directory

This directory was created to be a free resource for the industry, with no cost to be listed, as a way to find Financial Institutions (FIs) who work with Cannabis Related Businesses (CRBs). This Directory does not cover FIs that serve hemp-related businesses. Additionally, this Directory only lists FIs that directly bank cannabis themselves and does not list companies that provide banking services.

Each Financial Institution listed has given us its approval to be listed, and can be found either Alphabetically or by the State(s) that it serves.

**Some Financial Institutions have chosen to not be listed**, so we ask that if anyone has feedback or updates, please contact us directly at [info@pbccconference.com](mailto:info@pbccconference.com).

While our team carefully reviews and evaluates each entry in this Directory, the reader should note that PBC does not endorse any particular institution here. Individuals and businesses should always do their own due diligence prior to starting a new banking relationship.

This directory will be updated on an annual basis and will evolve and grow along with the industry. You can find the latest version at [www.pbccconference.com/cannabis-banking-directory](http://www.pbccconference.com/cannabis-banking-directory).
