Dear Liquor Licensing Clerks,

On December 7, 2020, Governor Polis signed SB 20B-001 which waives certain state fees for liquor license applications along with providing other forms of financial relief.

On December 10, 2020 at 1:00 pm the LED will be holding a FAQ session with Director Michelle Stone-Principato to discuss the new law and its effects. We hope that you can attend and participate in the discussion.
