PART 2

COLORADO CLEAN INDOOR AIR ACT

**Law reviews:** For article, "Implementing No-Smoking Policies in Multi-Unit Housing: How to Do It and Why", see 44 Colo. Law. 93 (July 2015).

**25-14-201. Short title.** This part 2 shall be known and may be cited as the "Colorado Clean Indoor Air Act".

**Source: L. 2006:** Entire part added, p. 53, § 1, effective July 1.

**25-14-202. Legislative declaration.** (1) The general assembly hereby finds and determines that:

(a) It is in the best interest of the people of this state to protect the public from involuntary exposure to emissions from secondhand smoke and electronic smoking devices (ESD) in most indoor areas open to the public, in public meetings, in food service establishments, and in places of employment; and

(b) ESD emissions consist of ultrafine particles that are significantly more highly concentrated than particles within conventional tobacco smoke. There is conclusive evidence that most ESDs contain and emit not only nicotine but also many other potentially toxic substances and that ESDs increase airborne concentrations of particulate matter and nicotine in indoor environments. In addition, studies show that people exposed to ESD emissions absorb nicotine at levels comparable to the levels experienced by passive smokers. Many of the elements identified in ESD emissions are known to cause respiratory distress and disease, and ESD exposure damages lung tissues. For example, human lung cells that are exposed to ESD aerosol and flavorings show increased oxidative stress and inflammatory responses.

(2) Therefore, the general assembly hereby declares that the purpose of this part 2 is to preserve and improve the health, comfort, and environment of the people of this state by protecting the right of people to breathe clean, smoke-free air. Nothing in this part 2 is intended to inhibit a person's ability to take medicine using an inhaler or similar device, nor to prevent an employer or business owner from making reasonable accommodation for the medical needs of

an employee, customer, or other person in accordance with the federal "Americans With Disabilities Act of 1990", as amended, 42 U.S.C. sec. 12101 et seq.

**Source: L. 2006:** Entire part added, p. 53, § 1, effective July 1. **L. 2013:** Entire section amended, (SB 13-283), ch. 332, p. 1894, § 12, effective May 28. **L. 2019:** Entire section amended, (HB 19-1076), ch. 337, p. 3092, § 1, effective July 1.

**25-14-203. Definitions.** As used in this part 2, unless the context otherwise requires:

(1) Repealed.

(2) "Auditorium" means the part of a public building where an audience gathers to attend a performance, and includes any corridors, hallways, or lobbies adjacent thereto.

(3) "Bar" means any indoor area that is operated and licensed under article 3 of title 44, primarily for the sale and service of alcohol beverages for on-premises consumption and where the service of food is secondary to the consumption of such alcohol beverages.

(4) "Cigar-tobacco bar" means a bar that, in the calendar year ending December 31, 2005, generated at least five percent or more of its total annual gross income or fifty thousand dollars in annual sales from the on-site sale of tobacco products and the rental of on-site humidors, not including any sales from vending machines. In any calendar year after December 31, 2005, a bar that fails to generate at least five percent of its total annual gross income or fifty thousand dollars in annual sales from the on-site sale of tobacco products and the rental of on-site humidors shall not be defined as a "cigar-tobacco bar" and shall not thereafter be included in the definition regardless of sales figures.

(4.5) "Electronic smoking device" or "ESD":

(a) Means any product, other than a product described in subsection (4.5)(c) of this section, that contains or delivers nicotine or any other substance intended for human consumption and that can be used by a person to enable the inhalation of vapor or aerosol from the product;

(b) Includes any product described in subsection (4.5)(a) of this section and any similar product or device, whether manufactured, distributed, marketed, or sold as an e-cigarette, e-cigar, e-pipe, e-hookah, or vape pen or under any other product name or descriptor; and

(c) Does not include:

If the local authority has not acted, the specified radius is twenty-five feet.
