Fantasy Contest Operator Registration and License Application Instructions

FANTASY CONTEST OPERATOR REGISTRATION AND LICENSE DEFINITIONS

REGISTRATION is for businesses with 7,500 fantasy contest players or less in Colorado.

LICENSURE is for businesses with more than 7,500 fantasy contest players in Colorado.

Mandatory Practice Act. Colorado has a mandatory practice act, which means that you may not practice as a Fantasy Contest Operator in this state without a Colorado license or registration. Submission of this application does not guarantee licensure. Therefore, do not make life or career decisions based on the probability that you may receive a license. Plan ahead for the time it will take for us to receive all required documents and complete our evaluation. A fantasy contest operator that has more than 7,500 fantasy contest players in Colorado with active accounts, must apply for licensure. An account is considered "active" if the player (i) has an email address on file with the fantasy contest operator and (ii) has paid an entry fee for a fantasy contest, agreed to pay an entry fee for a fantasy contest or has made a monetary deposit to a player account.
