## **NOTICE - Firearms Dealer Permit Applications**

### **REMINDER**

Please remember to submit your permit application by

**FRIDAY, MAY 2, 2025**

April 30, 2025

Reminder: The deadline to continue dealing in firearms while we process your application is almost here. Don't wait! Our Permit Application and Employment Eligibility Check Request are on our web page. Please click here: [Firearms Dealer Division](#). You will find these near the top of the page.

We received several applications without Employment Eligibility Check Requests (Form DR 7601). Although not due with the application, we would like to remind you to submit them sooner rather than later.

One common question comes from dealers/owners who do not hire employees. They run "one-person shops" and ask if they must submit Employment Eligibility Check Requests on themselves. For such FFLs, the dealer/owner is the Responsible Person as well as an Employee. Please submit an Employment Eligibility Check Request on yourself and complete the training and fingerprinting requirements.
