LIQUOR ADVISORY GROUP SEAT SELECTIONS

November 21, 2022,

Dear Liquor Stakeholders,

We would like to extend our gratitude to everyone who took the time to apply for a seat on the Liquor Advisory Group. We received 275 applications for the 39 spots. We were excited to see the interest and desire to be part of this group. While we could not select everyone, be assured that we will provide ample opportunity for public comment during the process. Your continued engagement and thoughtful feedback will help to ensure that the group is productive and successful.

Below, please find the final seat selections for the Liquor Advisory Group. You will see that there are no consumer seats filled at this time. We are engaging in due diligence regarding the consumer seats and will announce these seats in the near future, as we continue to look for consumers who are not directly associated with the industry. We may fill more of those seats as we find qualified candidates.

Please mark your calendars, as the Liquor Advisory Group will meet on December 6, 2022, from 9:00 a.m. to 10:30 a.m. Additional details concerning meeting times, locations, and agendas will be sent to Liquor Advisory Group members in the near future. The Keystone Policy Center will facilitate the Liquor Advisory Group meetings, and introductions will occur at the first meeting. Again, we thank you for your time and attention in applying for these important seats, and we look forward to meeting with you soon.
