LED - 2025 Tobacco Rulemaking Hearing Reminder #2

October 23rd, 2025

Please let this message serve as a reminder that the Liquor and Tobacco Enforcement Division will be holding the 2025 Tobacco Rulemaking Hearing on November 3, 2025, from 10:00 am to 12:00 pm at 1707 Cole Boulevard, Suite 300, Lakewood, CO 80401.

Due to ongoing technological issues with the previously listed conference room, the hearing will now be held in the Red Rocks Conference Room at the same address as previously provided, and above. There will be staff and signage available to help all attendees arrive at the correct conference room. Again, this is only a change of the conference room located within the same suite.

There will be no change for those wishing to attend virtually. Attendees can participate online via the original Zoom provided in the Notice of Rulemaking Hearing and listed below:
