## LED - 2024 Liquor Rules Working Group Updated August/September Schedule

**August 8, 2024**

Due to the large number of laws that were changed this past legislative session, there is a large amount of rules that require changing as well. In order to have our rules filed on time, the Division has found it necessary to hold two (2) full-day Liquor Rules Working Group sessions in August and September. The meeting dates are therefore amended as follows:

**August 29, 2024: 8:45 am - 5:00 pm**

**September 4, 2024: 8:45 am - 5:00 pm**

We recognize that committing to a full-day schedule may not be possible for all of our working group members. For any working group members who are unable to attend for the full session, we ask that you designate a proxy for the times you will not be available. Please notify us of your proxy's first and last name, phone number, and email address by emailing [dor\\_led\\_rulemaking@state.co.us](mailto:dor_led_rulemaking@state.co.us).

For those who wish to submit written comments, please email your comments to [dor\\_led\\_rulemaking@state.co.us](mailto:dor_led_rulemaking@state.co.us). Public comment will be reviewed at the beginning of each meeting.

The Division does reserve the right to take up additional rules if time permits.

Both meetings will be held in person at our office at 1707 Cole Boulevard, Suite 300, Lakewood, Colorado 80401, in the Red Rocks Conference Room. For those who are unable to attend in person, virtual attendance will be available via Zoom.
