## **LED - 2022 Liquor Rules Working Group Registration**

**April 15, 2022**

Dear Liquor Stakeholders,

The Liquor Enforcement Division (LED) is preparing for the 2022 In-Person and/or Virtual Working Group sessions. Please click the below link to apply to be a formal member of the 2022 Liquor Working Group sessions. Please apply by April 30, 2022 at 5pm so selections can be made and announced prior to our first meeting.

We ask that, if you apply, please plan to be in attendance at 90% of our meetings or designate a proxy in your absence. Last year we had members that did not attend meetings, so if a member is not attending, the Division reserves the right to select a secondary candidate applicant and remove the first candidate due to lack of attendance and participation. We anticipate that Rulemaking sessions will be held both in-person and virtually for the foreseeable future. We want to ensure that everyone's interests are represented fairly and accurately and, thus, may have to limit substantial oral comments during these Rulemakings to members who have been selected as formal members of the Working Group. We expect that there will be time for public comment at the end of each session, but that such comments may need to be limited to only a few minutes per speaker and for a set length of time. As always, written comments will be accepted from anyone who wishes to submit one.

We hope everyone is doing well and look forward to thoughtful discussions for our liquor rulemaking sessions starting on May 24, 2022 from 8:30 a.m. to 11:30 a.m. located at 1707 Cole Boulevard, Suite 300, Red Rocks Conference Room.
