Dear Liquor Licensee,

Towards the end of the 2024 Regular Session, the General Assembly passed SB24-231. This bill contained many of the consensus recommendations of the Liquor Advisory Group (LAG) convened by Governor Polis in 2023. One of the provisions, passed with consensus by the LAG and then by the General Assembly, was a split of the Lodging and Entertainment Facility License.

It is the responsibility of the licensee to determine which new license type is appropriate for their business and convert to that new license. You may do this at the time of renewal or now by returning this form to the Division.

Please provide the required information about your license and choose one of the license types below that best meets your business model and aligns with the statutory privileges and requirements:

Legal Business Name (License Holder)

Trade Name/DBA Name

License Number

### **Entertainment Facility**

Pursuant to 44-3-103(15.5) C.R.S., an Entertainment Facility means an establishment in which the primary business is to provide the public with sports or entertainment activities within its licensed premises; and that, incidental to its primary business, sells and serves alcohol beverages at retail for consumption on the licensed premises; and has sandwiches and light snacks available for consumption on the licensed premises.

### **Lodging Facility**

Pursuant to 44-3-103(29) C.R.S., a Lodging Facility means an establishment in which the primary business is to provide the public with sleeping rooms and meeting facilities; and that sells and serves alcohol beverages at retail for consumption on the licensed premises; and has sandwiches and light snacks available for consumption on the licensed premises.
