Front Money	Casinos interested in allowing this must develop policies, procedures, and internal controls to ensure funds are safeguarded and accountability over them is maintained. The policies, procedures, and internal controls <i>must</i> be reviewed and approved by the Chief Auditor before being used. Submit documents to DOR_ColoradoCasinos@state.co.us . Policies, procedures and internal controls must include the following: 1. Wire Transfers have to occur between banks. A patron would wire transfer money from their account to one of the licensee’s operational accounts. Once the funds are received in the operational account, a casino employee needs to transfer the wired funds to the patron casino account. 2. Extension of credit is still not allowed. If the casino management system allows for front money transactions funded by a “marker”, then the patron must have money in their account to fund the marker before allowing a front money transaction. 3. Must meet all Title 31 requirements, including but not limited to, FinCEN identification requirements.	
AT LEAST 14 DAYS PRIOR		
Intent to Sponsor Limited Gaming by a Charitable Organization	Must notify the Division’s Audit Section prior to the event. Submit written notice to DOR_ColoradoCasinos@state.co.us	C.R.S. 44-30-901(b) ICMP Section 11 K
