## **Colorado Division of Gaming Statement on WWE Wagering**

**LAKEWOOD, Thursday, March 9, 2023** - The Colorado Division of Gaming is issuing the following official statement:

The Colorado Division of Gaming is not currently and has not considered allowing sports betting wagers on WWE matches. At no time has any state gaming regulator in Colorado spoken with the WWE about including wagers on our approved wager list.

By statute, wagers on events with fixed or predicted outcomes or purely by chance are strictly prohibited in Colorado; this includes wagers on the Academy Awards.

All wager requests submitted to the Division for consideration are published in our approved sports betting wager catalog available on the Division of Gaming's website at [sbg.colorado.gov/sports-betting-catalog](http://sbg.colorado.gov/sports-betting-catalog). All rejected requests are listed on the Rejected Wager tab in the catalog.

The Division of Gaming is committed to ensuring honesty and integrity in the Colorado gaming, and sports betting industry and continues this trusted role through fair and balanced enforcement of Colorado gaming statutes. We appreciate our media partners who are dedicated to fair and accurate reporting.
