*On November 6, 2019, Colorado voters passed Proposition DD, establishing Colorado as one of many states across the country to allow people to place legal bets on sporting events since the Supreme Court ruling struck down a law that banned sports betting in most U.S. states. With the passage of Proposition DD and the Colorado General Assembly's legislative bill in May 2019, the Colorado Limited Gaming Control Commission and the Colorado Division of Gaming became the statutory authority over the legalized sports betting regulation in Colorado. Legalized, regulated sports betting began in Colorado on May 1, 2020.*
