Topics Suggested by LAG members at December 6, 2022 Meeting

Modernize

Move forward with the process-not continue to address old issues Moving toward modernization of existing laws Adaptability to innovation

Market Fairness

Ensure fair and viable laws

Fairness among retail establishments to allow free market to work

Parity

Make sure laws serve the needs and desires of consumers while accounting for the current system

Eliminate product monopolies on the 2nd tier

Equal market access

Limiting distribution companies from merchandising chain stores

Simplify & Clarify Laws

Cleaning up and clarifying liquor law language

Simplify and clarify liquor code for all licensees

Clarify some of the gray areas within liquor code/licensing

Harmonize the code

Cleanup contradicting verbiage

Understand how current code addresses direct to consumer rules

Combine and streamline licensing

Local and state permit process needs more clarity

Clarification of certain laws that are most utilized between wholesale retail and restaurants

Better job of local distribution laws that favor and support in-state producers

Public Safety

Enhance public safety through any changes recommended Labeling requirements (ABV, allergens, etc.)
Public & community safety communication
Alcohol prevention
Public safety

Local

Maintain strong local involvement in licensing process

Keeping licenses unregulated regarding the amount a municipality can have/issue

Review entertainment districts and how they are established and defined

Having more local authority

Fix the expensive and incredibly resource consuming TIPS program in Boulder

Allowing more local control vs. state regulation

Administration

Less bureaucracy

Streamline application & review process for new or renewal licenses

Giving LED the support and resources to keep the industry thriving and public welfare preserved Consistency on penalties

Special events

Revise rules regarding special events licenses
Addressing rules regarding events in unlicensed spaces
New festival permit interpretation for nonprofits using them as fundraisers and impacting rural licenses

Hours

Allow the sale of alcohol until 4 am Look at hours of operation as it pertains to public safety Allow for liquor service after 2 am

Off premises

Make to-go alcohol for "on-premise" retailers permanent
Sale of to go alcohol for restaurants
Clear difference between delivery and curbside delivery
Why can't someone have off-premise and on-premise licenses? What's the conflict?
Revise the "distance requirements" (44-3-301.9) for relocation of existing off premise licenses within their neighborhood
Allow municipalities to allow open containers on public right-of-ways
Making to go alcohol delivery permanent

Specific

Adding platform where is a customer is past due in paying for alcohol there is information posted to the website and then no distributors may deliver to the customer until their information is removed from the site
