Updated Information - Fingerprints For Criminal History Background Checks

April 16, 2025

According to the latest information from the Colorado Bureau of Investigations, fingerprints will not be accepted until July 1, 2025. Furthermore, **IdentoGo and Colorado Fingerprinting will not schedule appointments without service codes.** FDD expects to receive service codes for IdentoGo and Colorado Fingerprinting no sooner than April 28, 2025. We will send another notice with the codes and post them on our web page. Additionally, IdentoGo told CBI the earliest they will schedule appointments is May 20, 2025. Colorado Fingerprinting will not schedule appointments until June 3, 2025.

In the meantime, please submit your permit application and employment eligibility forms **before May 2, 2025**. On the latter, mark the fingerprint question "NO". After July 1, 2025, please email your fingerprinting receipt to our licensing team to be added to your file. Please make sure your employee's name is on the receipt. The email address is: dor_fddlicensing@state.co.us.

The Division is committed to working with the industry on this issue and will be as flexible as possible on fingerprint submissions.

IdentoGo: uenroll.identogo.com. If dealers have several individuals who are required to submit fingerprints, or if multiple businesses want to consolidate employees into a large group, IdentoGo offers a mobile fingerprinting service that will come to your location for one or more days. To obtain additional information or to schedule mobile service send an email to IdentoGo at: STATEMOBILESERVICESUS@IDEMIA.COM.

Colorado Fingerprinting: WWW.COLORADOFINGERPRINTING.COM. Colorado Fingerprinting also offers on-site fingerprinting for larger groups at an additional fee. For information and to schedule this service, contact them at INFO@COLORADOFINGERPRINTING.COM

We want to remind everyone that their voice is important. Written comments are always accepted and reviewed regardless of formal working group inclusion status. Written comments should be submitted to DOR_FDDrulemaking@state.co.us.
